

Computing Internal Design Review Document Status

Where to find the documents

Each document now has its own URL which is probably more convenient than the following.

1. Subsystem Design Documents
<http://almaedm.tuc.nrao.edu/forums/alma/dispatch.cgi/SubsystemDesign>
2. Interface Control Documents (ICD)
<http://almaedm.tuc.nrao.edu/forums/alma/dispatch.cgi/Interfaces>
3. Computing Plans (due 2002-11-22)
http://almaedm.tuc.nrao.edu/forums/alma/dispatch.cgi/DRAFT_Computing_Plans

Dates below are “last changed” dates. Sometimes an update was sent in for reasons that do not require that the latest document be downloaded if you already have (e.g., correction to table of contents numbering, typographical errors).
